BLAKER-KINSER JUNIOR HIGH SCHOOL

Blaker– Kinser website address: <http://blaker.ceres.k12.ca.us/>

The Holiday Season is upon us and we nearing the completion of the first half of the 18-19 school year. I am very proud of the many accomplishments of our students at Blaker-Kinser and the hard work they have put in to their academics the first half of the year. This hard work will contribute to future academic success in high school and beyond. Keep up the good work Sharks! Thank you families for your continuous support.

With the holidays approaching, please remember the importance of academics and daily attendance. While spending time with families is the most important part of the holidays, please encourage your students to keep up on their school work and attend school regularly. The holiday breaks are a great time to encourage reading at home and the staff at Blaker-Kinser can help with that. Our library is open daily with a wide variety of books for students. Please have your students visit our library media clerk with questions on checking out books.

Happy Holidays from all of us at Blaker-Kinser.
