Note from the Principal:

Welcome to Blaker-Kinser Junior High!

I am very excited for the 2018-2019 school year. The staff at Blaker-Kinser is looking forward to working with your student and enriching their academic experience. As our motto states, "Rigor today, Success tomorrow". This year we will continue to work on preparing students with rigorous academic curriculum and teaching our students PRIDE (Preparation, Respect, Integrity, Determination, and Effort). We will also place a strong focus on college awareness and preparing students for high school and beyond. Blaker-Kinser will focus on providing all the tools your students need to be successful in their academics, while providing enriching activities for them to grow outside of school, including athletics and various clubs.

We encourage parents to get involved in their child's education. Please contact the school at (209)556-1810 or myself at dcox@ceres.k12.ca.us to discuss various ways to get involved at Blaker-Kinser. Parent Square is a new resource for parents to use to stay connected and a great way to stay up to date on announcements and activities happening at school. Please contact the front office if you need assistance setting up the Parent Square app on your electronic device.

Student success is truly a team effort. Please do not hesitate to contact me, teachers, the Learning Directors, or the front office if you need anything or have any questions. We are honored to have your child at Blaker-Kinser. It is going to be a great!
